

Lakeland's Little Learners

3K-1 with Ms. Allie

November 2024

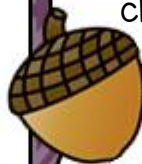

Themes

Last month, we were busy learning all about the fall season. We discussed how the weather starts to change and the signs we see in nature. We found acorns on the playground and used them to paint with. We also worked on raking leaves both inside and outside! Thank you to everyone who helped out and donated to our Halloween Party. The children had so much fun parading in their costumes, playing games, and enjoying the delicious snacks.

In November, we are going to learn about the many modes of transportation. We will be painting with cars and even make banana airplanes for a tasty snack. We will wrap up the month with Thanksgiving and turkey activities.

To encourage the joy of reading, on November 11 we will begin sending home a library book for your child to share with you. It will come home in a special book bag. Your child may keep the book for the week. Return it every Monday to receive a new book.

Parent / Teacher Conferences

I will be offering parent/teacher conferences on November 11 and 14. A sign-up sheet will be posted by the classroom door if you are interested.

Upcoming Events

November 21 - Thanksgiving Feast
Each child may invite one special guest. An invitation will be sent home soon. Our class will also be preparing a part of the meal. If you would like to donate ingredients, a sign-up sheet will be posted on our door.

December 9 - Sharing Night
Each child may invite one special guest to make holiday crafts and share a special treat.

December 9 - December 13
Scholastic Book Fair

December 18 - LLL's Holiday Program
at the Elkhorn High School
Auditorium at 6:00 pm

Family Connection

To go along with our transportation theme, see if you can name all the colors of the cars you see while driving. Or count how many cars versus trucks you see. Which was there more of?

If you have any questions, please feel free to contact me by phone 262-723-8391 or at aknapp@lakelandslittlelearners.com
