Welcome Back

I am so excited to start a new school year! and welcome everyone to Wrap-Around! I am looking forward to embarking on new adventures together. It has been said that education is the most powerful weapon which you can use to change the world. With that in mind it is my hope that the instruction my program will provide will help to arm you children with the knowledge needed to one day change the world.

September News

During the month of September, we hope to learn to express ourselves through art. As we embark on this creative journey, we will explore various mediums such as painting, drawing, and sculpting using homemade clay. Each week will focus on a different theme, allowing us to get into the stories behind famous artists and their techniques. By the end of the month, we hope to showcase our finished pieces and celebrate the process of creation itself.

Reminders

- * Please note the Wrap-Around phone has a new number. Please change this in your contacts if you have the one from last year in your phone.
- * Entry into the Jackson Wrap-Around program is through door #9. You must walk up from the parking lot, as driving on the service road is not permitted. When you get to the door, please ring the doorbell and I will open the door for you because all doors are kept locked.
- * Make sure to sign in on the time clock device each day. I will sign your child out as they leave to walk to their classrooms.
- * Alternate Arrival/Release forms will be available for you to sign, your first day attending.
- * Please do not bring a child who is ill, absence information may be called into the main center ext. 201 or Wrap-Around phone. Thank you in advance for your help keeping everyone healthy!
- * I post all information from Lakeland's Little Learners such as our daily schedule, snack menu, operating policies, lesson plans, and other important information on our bulletin board by the mailboxes.

* Please make sure to tell me about any updates needed to contact or health information, especially any new allergies.

* We strive to create a positive environment at Wrap-Around. To help achieve this, it is kindly asked that personal items such as toys from home, including Pokémon cards, and cell phones stay at home, or in their backpacks while at Wrap-Around. Gum and candy should not come to Wrap-Around.

* Students who arrive 7:30am or before will be provided with space to eat breakfast foods brought from home. We strongly encourage healthy choices for foods coming to Wrap-Around.

* Please make sure all personal items are clearly labeled with your child's name and that appropriate clothing for outside time is provided each day.

Looking forward to an amazing year ahead,

Ms Jasmina
