December Recap

The students were thrilled to go on an archaeological adventure! They carefully brushed away layers of snow and ice in an Arctic version of a dig at Wrap-Around while imagining themselves as real-life explorers uncovering long-buried secrets. Their imaginations soared as they navigated the sands of the ancient Egypt of Wrap-Around, unearthing artifacts found near the Nile River and piecing together the mysteries of the past. It was a lot of fun getting to mummify our friends using toilet paper as we discussed this burial process of the Egyptians.

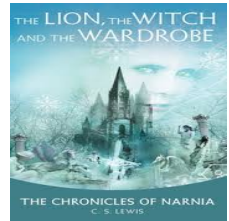

January News

In January, we hope to delve into the architecture of the Middle Ages in Europe. We plan to build a castle with a moat, design our own stained-glass window, and create a tapestry using string.

Upcoming Events

Land of Stories at the Matheson Memorial Library

January 18, 2025, 9:00am - 2:00pm

Children of all ages and their families are invited to visit the Land of Stories!

Walk the gameboard to get treats and prizes, immerse yourself in the fantasy lands of series like Wings of Fire, or pass through the Picture Book Portal to discover activities based around characters like Pete the Cat.

Reminders

Please remind your child to bring their winter gear with them to school, as we go outside daily; weather permitting. Please check the schools lost and found for missing items. And please label all your child's winter gear.

LLL's Elegant Farmer fund raiser starts Jan 13 with orders due Jan 27. Delivery of items will be Feb 7 at the main center.

Days with no school this month: January 1,2,3, and 20.

Family Connection

Read aloud and discuss books that feature medieval architecture such as "The Chronicles of Narnia" and "The Hobbit". While reading together, discuss the architectural elements described in the stories.
