

# Lakeland's Little Learners

3K-1 with Ms. Allie

April 2025

## Themes

This past month we have really enjoyed reading a variety of fairy tales and nursery rhymes. We retold the story of "The Three Bears" to our friends on the flannel board, worked hard to put "Humpty Dumpty" back together with band-aids, and created our own "Little Red Hen" which we added to the chicken coop.

The week we were learning about St. Patrick's Day, we were so surprised when we came into our classroom to find green footprints and everything topsy-turvy. One of the leprechauns must have had a hole in his pocket as we found gold coins everywhere!

In April, we will be springing into the new season. Learning about plants, flowers, and all the changes Spring brings is going to be very interesting. We will make a special kite snack and see what happens when a flower drinks colored water. Also, Ms. Andrea from Matheson Memorial Library will visit on April 9<sup>th</sup>.

## Picture Days & Original Works

Picture Days at Lakeland's Little Learners will be April 9<sup>th</sup> and 10<sup>th</sup>. A Lifetouch flyer with information has been sent home. If you need additional info, please ask.

Look for the Original Works fundraiser packet to be coming home soon.

## Week of the Young Child

We will be celebrating the Week of the Young Child March 31<sup>st</sup> - April 3<sup>rd</sup>. Each day we will have special activities and fun dress-ups.

March 31 - Music Monday & Mismatch Clothes

April 1 - Tasty Tuesday & Team Clothes Day

April 2 - Artwork Wednesday & Pajama Day

April 3 - Build Together Thursday & Silly Socks

## Family Connection

On Thursday, April 25<sup>th</sup>, your child may invite one special guest to Music and Muffins in the Morning. The children will be performing a variety of songs at 9:30 am on the preschool playground. Afterwards, enjoy a treat of delectable muffins. Hope you can join us!

As we learn about plants and flowers at school, begin a plan of what you could plant at your home. In a spot of dirt or a flower pot, marigolds or peas, children love to help garden!
