

Welcome to the 2.75 Room Lakeland's Little Learners Fall 2021

Introduction:

My name is Shandana Khan and I would like to welcome you and your child to the 2.75 room. I am excited to be your child's teacher this Fall. I have taught at Lakeland's Little Learners since August 2000, in the Pre School and Infant/Toddler areas. My education includes a degree in Child Development and Psychology. I have also taken many continuing education classes in the Early Childhood field. My husband and I live in Elkhorn. We have three grown children and an adorable grandson. During my spare time I love to exercise, read, garden, and spend time with my family.

Welcome:

I have many fun activities planned to enhance your child's development while learning through play. My lesson plans and activities are based on the children's interest. The room is set up with a variety of learning activity centers such as housekeeping, blocks and art to name a few, for the children to explore while playing and learning. All of the children will be encouraged, but not required to participate in all planned activities.

I believe it is important to keep open communications between parents and teacher and that it is helpful to understand your child and their needs. No one knows your child like you, so if there is anything specific you're working on please let me know. Working as a team will make smoother transitions between home and school.

Important Reminders: (PLEASE LABEL EVERYTHING CLEARLY with your child's first and last name)

2. Diapers and wipes - and any other items such as diaper cream if your child uses it.
3. Crib-sized sheet and blanket for nap that will stay for the week and be sent home to be laundered.
3. Jacket or sweatshirt for outside.
4. All items should come in a re-usable bag.

Ages and Stages:

The Ages and Stages Questionnaire will be sent out in September. Please fill it out and return it to me. I use this tool to help assess the development of your toddler and create appropriate goals for your child to work on throughout the year.

Remind App:

I will be sending out an invitation for the Remind App. This app will allow me to send information back and forth so we can easily keep each other updated. I will send pictures and notes about your child's day. Please respond ASAP when you receive the invite so we can keep up communication as best as possible during this time!

I look forward to working with you and your child and I will do my very best to protect them, care for them and nurture them while they are with me!

Thank you all,

Ms. Shandana
