Themes for the Month

- Red, White and Blue (Fourth of July)
- Summer

Classroom Happenings

The faces in our classroom have changed recently and I would like to give an official welcome to Amelia, Bethany, Quentin and Tobias! In July, we will be celebrating the Fourth of July and learning about the summer season and the different things people like to do in summer. Activities that we will be doing include having a "picnic" in our Dramatic Play area, making sand castles in our sandbox, learning the "Five Little Hot Dogs" song, and listening to the book *Parade Colors*.

Important Date

July 4th-Center Closed

Family Connections

Snack time is a wonderful time to connect with children. A yummy treat to make with your child is a popsicle. An easy way to do it yourself, if you have some fruit and your choice of juice on hand, is to put the juice and fruit in a small cup. Cover the cup with plastic wrap and poke a straw or spoon into the cup. Place in the freezer and voila! You have a simple yummy snack to enjoy on a hot summer day!

Reminders

Water bottles are welcome in our classroom, especially in these hot, summer months. Please label with your child's name; water bottles will be sent home daily to be washed.
