

February News 2025

Lakeland's Little Learners Tibbets Wrap-Around

We are halfway through the school year; it's hard to believe! We have had a lot of indoor time, so we have been playing gym games like Rainbow Tag, Four Square, and Dodgeball to release some of our energy. We are starting our Original Works of Art, so be on the lookout for ordering information.

During the month of January, students made snowflakes and snowmen, in hopes of some real snow. Unfortunately, Ms. Sawyer was sick for most of the month. She looks forward to getting back into routine and catching up with everyone! February will find us making and talking about the giving of heartfelt valentines to those we care about. Students may also choose to make a valentine for someone who could use a smile in a local care facility.

Looking for a family moment? Check out the night sky and do some planet and star gazing together. Let us know what you saw!

If you participated in the Elegant Farmer fundraiser, the pickup date will be February 7th. Items are to be picked up at the main center. The Elegant Farmer usually delivers in the morning, but feel free to call the center to make sure it has arrived.

There will be no school February 13th-17th. Looking ahead, school will also be closed March 7th and the 24th-28th. If you need care, please be sure to contact the center by email or calling 723-8391, to give your schedule needs on or before the Schedule Friday they are due.

We have had a great first half of the year and are looking forward to our second half of the year, let's hope it's a sunny one!

Ms. Sawyer and Ms. Shirley
