Themes

We will be beginning our study of Clothes by focusing on Community Helpers. We will discuss the many jobs in our community and all the different types of clothing worn for those jobs.

Our room will have many different "dramatic play" areas throughout the month, to represent the many jobs found in our community. The first will be a "Hair Salon".

Family Connection

Please share with your child what kind of Community Helper you are. If you have something you use in your job that they can bring to school, that would be wonderful or simply have them draw a picture to share with their friends.

Cold weather has now made an appearance! So please make sure your child has boots, hat, snow pants, gloves and a coat for outside time. These items should all be kept in a recyclable bag below their cubby.

Please clearly label all items.

2025 is shiny and new in 3K-2,
Ms. Kathy & Ms. Emily

Book Bags

We have collected all the books to return to the library for a new batch. Thank you for your wonderful response to our Book-In-A-Bag. Your enthusiasm for reading has been truly contagious with your child. Look for your new book soon.

Mighty Minutes

This month we will be adding our "Mighty Minutes" to the daily schedule. During this time, the children will be broken into four different small groups and participate in different activities. The activities will focus on math, reading, language, science and social study skills.

"Mighty Minutes" is a wonderful opportunity for intentional teaching and to evaluate where each child is at developmentally in all the areas of learning.

Fundraiser

Elegant Farmer Fundraiser begins
January 13th

Orders are due by January 27th
Order pick-up February 7th
