

Lakeland's Little Learners 2.75 Room News November 2024

Last month:

We talked about fall, leaves, squirrels, wind, and of course Halloween!!! We used different art media to decorate our room to celebrate the season. We had a fun Halloween party in our room and we went out for our Halloween parade with our school friends. Thanks to all those parents who brought us yummy treats.

This month:

We will talk about turkeys and celebrate Thanksgiving by coloring and gluing turkeys and singing songs about turkeys. It does not seem like it should be November already! Do not be surprised if you hear a "gobble, gobble, gobble." The children are learning songs like "Hello Mr. Turkey, How Are You" and "The Turkey is a Funny Bird". We are also encouraging your children to use their words while we sing our songs.

Parent Connection:

I cannot stress how important it is to talk with and read to your child each day. Ask him/her questions and give them time to answer. Expand on what they say; it is never too early to introduce new vocabulary. When reading with your child talk about the story and pictures. This month bring in one favorite book to share with the class.

Mark your Calendar:

November 4th - Parent teacher conference – please reach out if you are not able to make one of the available times and we will schedule a time to meet.

November 21st – Thanksgiving Feast

November 28th – Thanksgiving – LLL close

If you have any questions or concerns about your child, please let me know. I am always here to help. Thanks again!
