

Welcome to Summer

School-Age Summer Program

Welcome to the school-age summer program! We are looking forward to an awesome summer full of laughter, learning, and friendships. This summer we plan on providing an enjoyable, safe environment that children will love being a part of. There will be many exciting themes, planned by both teachers and students, during these three months; Moovin' and Groovin', All About Art, and The No Theme Week to name a few. We are very fortunate to have a school-age bus, allowing us to take field trips throughout the summer. So, let's get ready and prepare for a summer of fun!

Please do not bring outside toys, stuffed animals, electronics, or trading cards. Board games, art supplies, books, and educational materials are welcome. Those who bring these items will be responsible for them. No cellphones.

Communication is vital, we will be using Procure messaging for important and quick information. If you need help with the app please contact Ms. Jacintta.

Hello, I am Ms. Casey and I was born and raised in Wisconsin and have been making Elkhorn my home since 2016. My husband and I have two young children. We love fishing, going on walks, and getting to the beach and pool as much as possible. I've always enjoyed working with children and as a young adult I loved all my time spent as a playground leader, summer camp counselor, swimming instructor, and lifeguard. I also have eleven years of recreational management experience with Morale, Welfare, and Recreation (MWR) at Naval Station Great Lakes in Waukegan, IL. I look forward to getting to know each child and their families.

I have always enjoyed working with younger children. I feel I can help school age students to grow and develop into respectful citizens by providing a safe educational environment that is both fun and relaxing. I enjoy playing and coaching lacrosse.
